Total	6969	26663

Note:

1/ Under section 34(2), Cap. 213, a child or juvenile in need of care or protection means a child or juvenile:-

- (a) who has been or is being assaulted, ill-treated, neglected or sexually abused; or
- (b) whose health, development or welfare has been or is being neglected or avoidably impaired; or
- (c) whose health, development or welfare appears likely to be neglected or avoidably impaired; or
- (d) who is beyond control, to the extent that harm may be caused to him or to others

2/ The Duty Lawyer Service will provide legal assistance, as of right, to any child/ juvenile in need of care or protection and who is:-

- (i) deprived of his/her liberty and detained in a gazetted place of refuge under section 34E of PCJO, Cap. 213; or
- (ii) taken to the juvenile court directly by the Police for the application for Care or Protection order, without any period of detention at a gazetted place of refuge before the court hearing; or
- (iii) likely to be detained in a gazetted place of refuge on the recommendation of a social worker of the Social Welfare Department (SWD)
